 - (3) DD Form 214s and NGB Form 22s.
 - (4) Copy of last five Non Commissioned Officers Evaluation Reports (NCOER) (if applicable).
- c. PARC then forwards the completed packet to HRO/AGR Branch. The President of the Board will contact qualified applicants for an interview. All applicants will be notified in writing within 30 days after the selection board.
- d. Missing documents require a letter from the individual stating reason or the packet will be returned without action.
- e. Any falsification of the eligibility requirements will result in non-consideration for selection, or if selected, individual will be released from the AGR program.

NOTE: Any documentation missing requires a letter regarding circumstances enclosed in the application packet

5. JOB DESCRIPTION.

Pilots and commands RAID configured OH 58 aircraft under tactical and non-tactical conditions day or night in varying meteorological conditions. Performs operations in support of federal, state, and local law enforcement agencies' counterdrug activities. Plans and prepares counterdrug missions with thorough knowledge of RAID capabilities, military and civilian aviation regulations, and National Guard counterdrug support regulations. Plans flights, ascertains factors such as load, weight, fuel supply, refuel availability, route, altitudes and schedules necessary to accomplish mission. Operates within Class B,C,D,G, and E airspace while performing vehicle/vessel surveillance. Operate RAID equipment such as the Thermal Imaging System, Nightsun, Global Wulfsberg Radio and GPS. Maintain aircrew training manual and aircrew training requirements in OH58 aircraft. This is an ADSW (active duty for special work) order and is dependent on availability of funds. The selected aviator will be placed on a six month order. Orders may be extended depending upon job performance and availability of funding. All counterdrug operations are conducted in accordance with NGR 500-2 and 32 USC 112.
